Explanation of Responses:

1. The Units were granted pursuant to the Golden Minerals Company 2013 Key Employee Long-Term Incentive Plan (the "KELTIP"). Each Unit represents a contingent right to receive on the applicable payment date, a settlement amount measured generally by the price of Golden Minerals Company (the "Company") common stock on the settlement date. The settlement amount may be paid in cash or in Company stock granted pursuant to the Company's Amended and Restated 2009 Equity Incentive Plan or another plan that may in the future be approved by the Company's stockholders. Payment of the settlement amount in respect of the reporting person's vested Units is deferred generally until the earlier of a change of control of the Company as described in the KELTIP and the date the reporting person ceases to serve as an officer or employee of the Company. All 200,000 Units vested on the date of grant.
